

DESIGNATION OF RINGO HORIZONTAL UNIT

STATE OF TEXAS §

COUNTY OF KARNES §

00130343 BK OR Vol 1159 Pg 361

WHEREAS, the leases described in Exhibit "A" attached hereto and made a part hereof for all purposes grant, or the Lessors in such leases have agreed to grant, to the Lessee therein named, its successors and assigns, the right and power to pool or combine the acreage covered thereby for the drilling, development, operation, and production of oil, gas, casinghead gas, gas well gas (including condensate or distillate produced therewith and any other associated liquid hydrocarbons) and any other substances produced; and,

WHEREAS, said leases and all rights thereunder or incident thereto are now owned by **EOG RESOURCES, INC.**, whose mailing address is PO Box 592929, San Antonio, Texas 78259-0196, ATTN: Division Land Manager, hereinafter referred to as "Lessee."

NOW, THEREFORE, acting under and by virtue of the power and authority conferred by the terms of said leases, and any amendments thereto or ratifications thereof, Lessee does hereby unitize, consolidate, pool, and combine the acreage covered by those leases described in Exhibit "A," insofar and only insofar as they cover the lands described in Exhibit "B" and depicted on Exhibit "C" attached hereto and made a part hereof for all purposes, and all mineral, royalty, overriding royalty, and leasehold interest into a consolidated, unitized, and communitized unit containing nine hundred twenty and 90/100 (920.90) surface acres, more or less, for the drilling, development, operation, and production of oil, gas, casinghead gas, gas well gas (including condensate or distillate produced therewith and any other associated liquid hydrocarbons) and any other substances produced, insofar and only insofar as said leases cover the entire Eagle Ford formation as defined in the Final Order issued by the Railroad Commission of Texas on November 30, 2010, in Oil and Gas Docket No. 02-0266475, designating the Eagleville (Eagle Ford-2) Field as the correlative interval from 10,294 feet to 10,580 feet as shown on the log of the EOG Resources, Inc. Milton Unit, Well No. 1 (API No. 42-255-31608), Section 64, John Randon Survey, A-247, Karnes County, Texas. The unit created hereby is designated as the RINGO HORIZONTAL UNIT and shall be effective as of the date set

forth below. This designation, pooling, and unitization shall apply to all leases covering any portion of and any interest in those lands described in Exhibits "A" and "B" and depicted on Exhibit "C" which are now or hereafter owned by Lessee (whether one or more), its successors and assigns, whether or not said leases are particularly described on Exhibit "A." To the extent authorized by the leases or by any instrument consenting to the unit, this unit shall apply to all production of oil, gas, casinghead gas, gas well gas (including condensate or distillate produced therewith and any other associated liquid hydrocarbons) and any other substances produced from the unitized interval, whether from horizontal or vertical wells. This designation, pooling, and unitization shall not exhaust the pooling and unitization powers of Lessee under said leases, and the right to amend this designation or to make such other designations as may be deemed necessary or advisable is hereby reserved.

For the purposes of computing the royalty to which each owner shall be entitled on production of oil, gas, casinghead gas, gas well gas (including condensate or distillate produced therewith and any other associated liquid hydrocarbons) and any other substances produced from the RINGO HORIZONTAL UNIT, there shall be allocated to each lease committed to the above-referenced unit, that pro rata portion of the oil, gas, casinghead gas, gas well gas (including condensate or distillate produced therewith and any other associated liquid hydrocarbons) and any other substances produced from such pooled unit which the number of surface acres covered by each such lease and included in the pooled unit bears to the total number of surface acres included in the pooled unit.

EXECUTED as of the date of the notarized signature below but to be effective as of October 20, 2013
