

Hi Staci,

Here are the payments for 2026. Payments were made according to what the Operator submitted to HF Sinclair. In this case, McCammon is the Operator.

HF Sinclair recently transitioned to paying the Operator directly and the Operator will be making payment distributions to the Owners, therefore Michael should be getting the August payment from McCammon if there was any production on the lease(s).

Owner 056414 Name MICHAEL PAUL MCCAMMON JR
